Financial Secretary to the
Government of Mysore, Bangalore.

SIR,

Adverting to correspondence ending with your letter No. Fl.6805/S.A.17-23-48 dated 16th June 1924 re the grant of privilege leave to certain temporary officers, I have the honor to state that in the case of a large establishment like that of this department, consisting of over 90 temporary appointments, officiating and temporary arrangements from grade to grade have to be often shifted about and there is much practical difficulty in exactly identifying the nature of vacancy in every case of a temporary official going on leave, as explained in my letter No.1182 dated 28th March 1924. Hence I request that the orders of Government may kindly be obtained for incurring extra cost in place of all temporary officials that have rendered 2 years continuous service, irrespective of the nature of vacancies in which they are temporary.

2. I also request orders in this connection on the following questions raised in my letter of 28th March 1924:

(1)

(i) Whether grade to grade promotions may be made in place of such temporary officers on leave, a substitute being appointed to the last place,

and (ii) whether, in the event of such promotions being admissible, the full pay of the post can be given to the officiating incumbent under Article 74 of the Mysore Service Regulations or whether Rule II (2) of Appendix A, Mysore Service Regulations is applicable in these cases, that is the officiating clerk in each grade would be entitled to only 1/5 of the pay of the post.

I have the honor to be,

Sir,

Your most obedient servant,

J Satyanarayana Rao

Comptroller.

SAM.

The Compt. has already been informed that the order of 1.2.24, the benefit of which is proposed to be given to temporary officials in his office, is not applicable to all temporary appointments irrespective of the nature of the vacancy they fill up. The order refers only to temporary employees in permanent vacancies. He will be informed again as above.

As regards the general question raised, the reply in the affirmative as regards (i) above provided the vacancy is of the nature referred to above. In respect of (ii) the Compt. will be informed that the appointments contemplated in the order of 1.2.24 are not those referred to in App A. to the M.S.R. but those which
